

Imperial Polk Astronomical Society schedule for 2017

Peer into the mysteries of the universe. Come see the wonders of space like you've never seen them before. Marvel at the sights of the night sky and dare to imagine what is yet to be discovered.

All are welcome. Bring your own scope or binoculars or use ours. For more information, contact Cleve at astronut.cleve@tampabay.rr.com or (863) 682-0348

Circle B Bar Reserve is located on Winter Lake Rd. (SR 540) 2-1/2 miles east of US 98, S. of Lakeland.

Mackay Garden is located at 900 Mackay Blvd., just off of US 92 in Lake Alfred.

Colt Creek State Park is located at 16000 SR 471, 3.8 mi. N. of US 98, 16 mi. N. of Lakeland.

Colt Creek is our darkest sky location: don't miss it!

Colt Creek does have a park admission charge: \$3.00/person or \$4.00/car up to 8 occupants.

Come an hour or so early in the evening; bring a "picnic" dinner and join us for some "getting to know you" time and bring a friend!

Private viewing sessions & star parties available. Will hold observing sessions and presentations for schools, Scouts or other groups. Have astronomy questions? Want a telescope but don't know what to get? Need help with your telescope? Call or e-mail for help.

Visit our website at www.polkastro.org to learn more about us.

Want to join our group? Contact Cleve.
